

# OBEIDDENTAL

We look forward to seeing you at your upcoming appointment. Here are some guidelines to prepare for your visit.

## **Instructions Prior to Dental/Implant Surgery**

- **Do** wear comfortable, loose fitting clothing
- **Do** eat a meal before arriving to the office
- **Do** take pre surgical prescribed medication
- **Do not** take Aspirin or any other product containing Aspirin 7 days prior to surgery.
- **Do not** drink alcoholic beverages for 1 day prior to surgery
- **Do not** drink caffeinated beverages the day of the surgery
- **Do not** wear make-up (foundation or lipstick)

Please feel free to contact the office at 301-652-9505 with any additional questions or concerns regarding preparation for you procedure.
